

## Environmental and Social Responsibility Policy

At Atholl Palace Hotel we are set in 48 acres of lush woodlands and are committed to working in a sustainable way.

We are undertaking the following actions to achieve this:

-  We comply with the requirements of environmental legislation and approved codes of practice.
-  We continuously seek to improve our environmental and social performance
-  We endeavour to reduce pollution, emissions and waste
-  We comply with the requirements of environmental legislation and approved codes of practice.
-  We reduce the use of energy and water
-  We raise awareness, encourage participation in sustainable business practice and expect similar practice from our contractors and suppliers
-  We liaise with the local community and assist our customers to use products and services in an environmentally sensitive way
-  We joined the Green Business Tourism Scheme in 2007 as an indicator of our sustainable practices

We would like you to help us and ask that you spare a few minutes to visit our Green Corner by reception for some ideas on what you can do!
